

## **Prime Video add-on subscriptions**

Prime Video add-on subscriptions are paid monthly subscriptions to third-party premium networks and other streaming entertainment channels. Eligible Amazon Prime members have the option to purchase these subscriptions directly through Prime Video.

For more information, go to: [What Is Included with Prime Video Add-On Subscriptions?](#)

**Canceling or updating your subscriptions:** You can manage your Prime Video add-on subscriptions on your own including updating payment information or canceling your subscription. If you're eligible for a self-service refund, you'll also be offered this during the cancellation process.

To view and manage your video subscriptions go to [Manage Your Subscriptions](#) .
